

LAVIDA BOATS

*Experience the Ultimate Ride
From only €65 !!!*

WHAT IS THE EFOIL?

The Lift eFoil & Fliteboard are the two premium electric hydrofoils. You will fly above the water without the need for wind or waves – no noise and zero emissions!

No surf skills needed for a unique and exhilarating experience!

Over 1 hr battery life for an unforgettable ride at speeds up to 45 km per hour.

WHAT IS THE AWAKE RÄVIK?

awake

The Rävik is a completely different experience. Based on Awake's three principles of power, speed and precision, this electric surfboard has been designed with one key factor in mind – adrenaline – enabling superior acceleration to speeds of 56 km per hour. The Rävik can easily be adapted for professionals and beginners or younger enthusiasts.
